LIFE'S LIKE THAT By FRED NEHER

"I think a wife should help her husband in his career... I'm going to marry a disc jockey!"

King-Anderson Bill Flayed by Bruinsma

A strong blast against the King-Anderson hospital care bill has been leveled by Ted Bruinsma, endorsed Republican candidate for Congress in the 17th District.

Noting that one of the bill's co-authors, Congressman Cecil King, was in Los Angeles, Bruinsma said, "this proposed legislation makes a mockery of the American tradition of free enterprise."

"King's arguments are misleading," Bruinsma declared. "To use the term medicare for the bill is wrong. The King-Anderson bill does not provide doctor's care but it is merely for limited hospital care," he said.

"Proponents of the bill lead us to believe that it covers all the people in the United States over 65 years old, but in truth, it covers only those who are working under Social Security," Bruinsma charged.

"In addition," Bruinsma said, "the proponents lead us to believe that the bill covers drugs, but actually only drugs given in hospital treatment are covered."

"The present administration is using the King-Anderson bill for political purposes," Bruinsma continued. "It is not in accordance with American tradition for the Administration to lobby for a bill this way," he added, referring to the Kennedy television show of last Sunday.
